

EAST ELGIN SPORTSMEN'S ASSOCIATION

GUEST POLICY*

Members with guests are now required to use one shooting station only and only one person at a time shooting, this change is the result of recent incidents by unsupervised guests. This also assures shooting stations will be available for members.

New members during their probationary period (90 Days) are allowed to bring only 1 guest at a time.

Members may only take one guest into the indoor range, the other must wait in the viewing area.

Each member is allowed to bring a maximum of 2 guests at a time up to 3 times per year. This means no guests may attend more than 3 times in a year.

Guests **MUST** complete and place in the office mail slot a Guest / Visitor waiver located in the club house. All ranges also have waivers and mail boxes supplied to deposit forms. This form **MUST** be completed or the member is putting the club at risk. If the form is not completed the Guest / Visitor is **NOT** covered by our insurance and any incidents that may occur are the sole responsibility and liability of the member who brought the guest. Failure to complete the required form(s) will result in a 30 day suspension of guest privileges.

Understand that members are 100% responsible for the actions of their guests at all times and must not be left unattended at any time. Members must ensure their guests do not have unsupervised access to any firearm unless that person is licensed for that type of firearm. Supervision of a shooter on the firing line is one on one.

*Please note Covid may affect the number of guests allowed .
