

EAST ELGIN SPORTSMEN'S ASSOCIATION

PET POLICY

The East Elgin Sportsmen's Association have had to enact a no pet policy at the club due to a number of reasons.

- Not all members clean up after their pets and this is unfair to other members that they have to clean up after other people's pets.
- We do not feel a rifle range is a safe or healthy environment for pets.
- Not everyone is friendly to dogs and many are afraid to interact with them.
- We can not guarantee the safety of a pet while on club property. There are many products in use at a gun range that could be harmful to a pet if ingested. IE: solvents, powders, lead, etc....

Certified Service dogs are exempt

East Elgin Sportsmen's Association

Board of Directors.
